

50 MILE

WELCOME TO OBLITERIDE

Fred Hutch's Obliteride is five, and it's time to celebrate! You are part of a passionate community that is set to have a lot of fun on Obliteride weekend. Expect delicious food, scenic rides, connections with new friends, helpful volunteers, and great music. When you are among the sea of Obliteriders, you'll know that you are helping Fred Hutch cross the most important Finish Line yet – curing cancer. To returning Obliteriders, thank you and welcome back. To new riders, this is going to be memorable, and we're excited to have you join our powerful community. Over the last four years, we've had 35,000 Obliteride donors contribute **MORE THAN \$9 MILLION** to cancer research at Fred Hutch.
